

Instruction for obtaining the service “E-visa Registration”

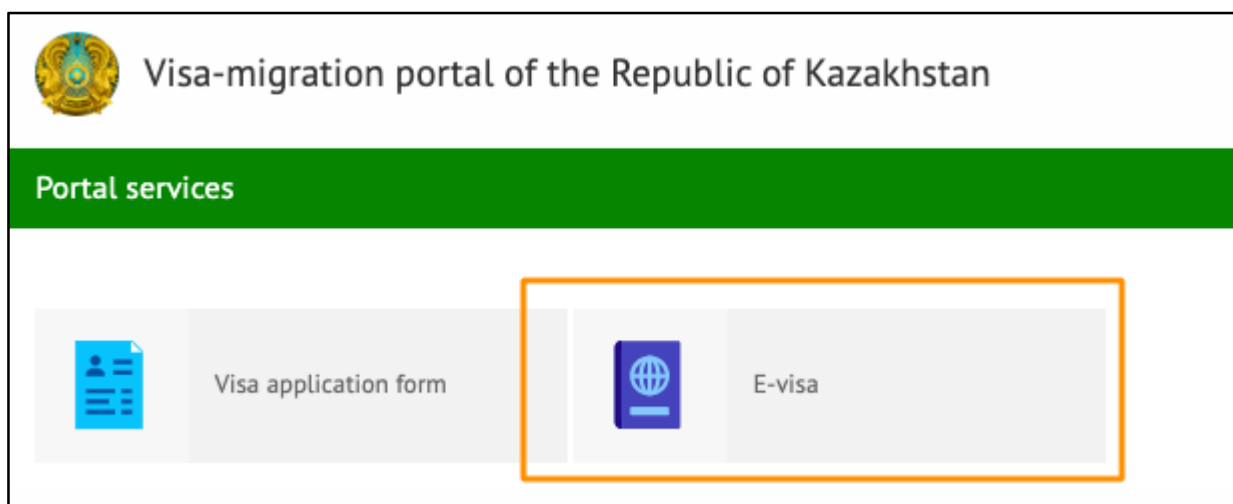

To receive the service, you must be registered on the Visa and Migration portal. Log in to the portal by entering the e-mail and password specified during registration (Pic. 1).

The screenshot shows the login page of the Visa-migration portal of the Republic of Kazakhstan. At the top, there is a navigation bar with links for KA3, PYC, ENG, e.gov, Services, Personal account, Support request, and Old version of the portal. On the right, there are links for Log In or Sign Up. Below the navigation bar, the portal's name is displayed, along with a contact center number 1414 and a toll-free number +7 7172 701 998. A green bar with the text "Log In" is positioned above the login form. The login form has two tabs: "Login/Password" (selected) and "Digital signature". A red warning message states: "Attention! If you registered on the old portal, you need to register again. To synchronize your data, you must specify the same email address that you used when registering on the old version of the portal." Below this message are input fields for "IIN, BIN or e-mail" and "Password". A green "Log In" button is located below the password field. Links for "Forgot your password?" and "Sign Up" are also present. At the bottom, there is a link for "User Authorization Instruction".

Important! When filling in the form, the data must coincide with the current document of a foreign citizen.

Important! The data must coincide the data given in the invitation. E-visa is available in the following categories: **single entry business visa, tourist visa and treatment visa.**

Visa is issued after payment of consular fees and state duties in accordance with the legislation of the Republic of Kazakhstan. ***Paid amounts of consular fees are non-refundable.***

E-visa can be issued only if there is a valid invitation from the Kazakh side. To apply for an e-visa, you need an invitation number received from the inviting Kazakh side.

The received e-visa must be printed out for presentation at the state border and on the territory of the Republic of Kazakhstan. E-visa gives the right to enter / exit the Republic of Kazakhstan only through the international airports Nur Sultan and Almaty. E-visas are not issued to foreigners travelling together with children.
